TEMPLATE 3: NEGOCIACIÓN PRECIO

Asunto: Re: Quotation [PRODUCTO] - Price Negotiation

Dear [NOMBRE],

Thank you for your quotation.

We have reviewed your proposal and we are very interested in moving forward. However, the current price is slightly above our budget for this project.

Your quote: $[PRECIO] FOB per unit (MOQ: [CANTIDAD])

Our proposal to reach target price:

- Increase order quantity to [NUEVA CANTIDAD] units (currently [CANTIDAD])
- Accept [PEQUEÑA MODIFICACIÓN] in specifications (if this reduces costs)

- Payment: 30% deposit + 70% before shipment (as per your terms)

Future orders:

If this first order goes well, we plan to place orders every [FRECUENCIA] with increasing volumes:

- Year 1: [CANTIDAD TOTAL] units

Questions:

- What is your best price for [CANTIDAD MAYOR] units?
- Do you offer discounts for repeat customers?

We are ready to move forward quickly if we can reach an agreement. Looking forward to your reply.

TEMPLATE 11: CAMBIO FORMA DE PAGO (Después de establecer confianza)

Asunto: Payment Terms Adjustment Proposal - Long-term Partnership

Dear [NOMBRE],

I hope you are well.

We have been working together successfully for [TIEMPO - ej: 6 months] and completed [NÚMERO] orders totaling $[MONTO TOTAL] without any payment issues.

Our track record:

- Order #1 (PO#[XXX]): Paid on time ✓
- Order #2 (PO#[XXX]): Paid on time ✓
- Order #3 (PO#[XXX]): Paid on time ✓
- Total business: $[MONTO]

Given our reliable payment history, I would like to propose an adjustment to our payment terms to improve our cash flow:

Current terms: 30% deposit + 70% before shipment
Proposed terms: 30% deposit + 70% within [15/30] days after receiving B/L

Why this benefits both of us:

- We can place larger and more frequent orders (better cash flow for us = more volume for you)
- Your production risk remains low (30% deposit secured)
- Our proven payment record demonstrates trustworthiness
- Long-term partnership strengthened

Alternative proposal:

If full payment delay is not possible, would you consider:

- 30% deposit + 50% before shipment + 20% within 15 days after B/L?

In exchange, we can commit to:

- [CANTIDAD] minimum orders per [PERÍODO]

ImportarDeChina.com | © 2026 Jorge Mora

```
- [X]% price increase to compensate for extended terms

- Signed long-term supply agreement

  Please let me know if this is something you can accommodate. We value our partnership and hope to grow together.

  Best regards,

  [TU NOMBRE]
```

ERRORES COMUNES A EVITAR

NO HAGAS:

- Mezclar múltiples productos/especificaciones en un solo email confuso
- Negociar precio, MOQ, pago, plazo y calidad simultáneamente
- Cambiar specs después de aprobar muestra (costará CARO)
- Usar lenguaje informal o emojis excesivos
- Amenazar o ser grosero cuando hay problemas
- Pagar 100% por adelantado (a menos que sea muestra pequeña)
- Aceptar precios "demasiado buenos para ser verdad"
- Comunicar por 5 canales diferentes (dispersas info)

SÍ HAGAS:

- Una solicitud = un email = un tema
- Negocia en ORDEN: specs → precio → cantidad → pago → plazo
- Confirma TODO por escrito
- Sé específico con medidas, materiales, colores (Pantone codes)
- Pide fotos/samples siempre que sea posible
- Mantén tono profesional pero humano
- Usa Trade Assurance en Alibaba para primeras órdenes
- Construye relación a largo plazo (no solo transacciones)

FRASES ÚTILES EN INGLÉS

Para sonar profesional:

- "We are currently sourcing..." (Estamos buscando proveedores)
- "Please advise..." (Por favor indícame/confírmame)

- "As per our agreement..." (Según nuestro acuerdo)
- "Kindly confirm..." (Por favor confirma)
- "At your earliest convenience" (Cuando puedas/lo antes posible)
- "We look forward to a long-term partnership" (Esperamos una relación a largo plazo)

Para negociar sin ofender:

- "The current price is slightly above our budget" (El precio actual está un poco por encima de nuestro presupuesto)
- "We understand quality has a cost" (Entendemos que la calidad tiene un costo)
- "What is your best price for [cantidad]?" (¿Cuál es tu mejor precio para X cantidad?)
- "Is there any flexibility on...?" (¿Hay flexibilidad en...?)

Para pedir cosas sin parecer novato:

- "As per industry standard..." (Según el estándar de la industria...)
- "Our previous supplier offered..." (Nuestro proveedor anterior ofrecía...)
- "For reference, we typically work with..." (Como referencia, usualmente trabajamos con...)
