# TEMPLATE 3: NEGOCIACIÓN PRECIO

**Asunto:** Re: Quotation [PRODUCTO] - Price Negotiation
```

```
Dear [NOMBRE],

Thank you for your quotation.

We have reviewed your proposal and we are very interested in moving forward.
However, the current price is slightly above our budget for this project.

Your quote: $[PRECIO] FOB per unit (MOQ: [CANTIDAD])
Target price: $[PRECIO OBJETIVO] FOB per unit

We understand quality has a cost and we are NOT looking for the cheapest option. Our
priority is to find a reliable partner for long-term cooperation.

Our proposal to reach target price:
1. Increase order quantity to [NUEVA CANTIDAD] units (currently [CANTIDAD])
2. Accept [PEQUEÑA MODIFICACIÓN] in specifications (if this reduces costs)
3. Longer production lead time (if this helps your planning)
4. Payment: 30% deposit + 70% before shipment (as per your terms)

Future orders:
If this first order goes well, we plan to place orders every [FRECUENCIA] with
increasing volumes:

- Year 1: [CANTIDAD TOTAL] units

- Year 2: [CANTIDAD TOTAL] units

Questions:
- Can you share a cost breakdown? (materials, labor, packaging, etc.)

- What is your best price for [CANTIDAD MAYOR] units?

- Do you offer discounts for repeat customers?

We are ready to move forward quickly if we can reach an agreement. Looking forward
to your reply.
```

Best regards,

[TU NOMBRE]
```

**IMPORTANTE:** No negocies precio Y forma de pago al mismo tiempo. Primero cierra precio, LUEGO negocia pago.

# TEMPLATE 9: SOLICITUD DESCUENTO PEDIDO REPETIDO

**Asunto:** Repeat Order + Volume Discount Request - PO#[NUEVO NÚMERO]

```

Dear [NOMBRE],

I hope you are well.

We are very satisfied with our previous order PO#[ANTERIOR] and would like to place a new order.

Previous Order:

- Date: [FECHA]
- Product: [PRODUCTO]
- Quantity: [CANTIDAD]
- Price: $[PRECIO] FOB per unit

New Order Request:

- Product: Same as PO#[ANTERIOR]
- Quantity: [NUEVA CANTIDAD - MAYOR] units
- Desired price: $[PRECIO MENOR] FOB per unit

Rationale for discount:

1. Repeat customer (proven reliability)
2. Increased order quantity (+[%] vs. previous order)
3. No changes in specifications (same tooling/setup)
4. Long-term commitment (we plan [X] orders per year)

Our proposal:

- Payment terms: Same (30% + 70%)
- Production time: Flexible (you can schedule around other orders)
- QC: We trust your quality (may skip inspection if previous order was perfect)

Can you offer us a volume discount for this increased quantity?

If you can meet our target price of $[PRECIO], we are ready to place the order immediately and send the deposit within 2 days.

Looking forward to continuing our successful partnership.

Best regards,

[TU NOMBRE]
```

# TEMPLATE 10: SOLICITUD CUSTOMIZACIÓN

**Asunto:** Customization Request - [PRODUCTO] - Your Ref: [REFERENCIA]

# TEMPLATE 11: CAMBIO FORMA DE PAGO (Después de establecer confianza)

**Asunto:** Payment Terms Adjustment Proposal - Long-term Partnership

```

Dear [NOMBRE],

I hope you are well.

We have been working together successfully for [TIEMPO - ej: 6 months] and completed [NÚMERO] orders totaling $[MONTO TOTAL] without any payment issues.

Our track record:

- Order #1 (PO#[XXX]): Paid on time ✓
- Order #2 (PO#[XXX]): Paid on time ✓
- Order #3 (PO#[XXX]): Paid on time ✓
- Total business: $[MONTO]

Given our reliable payment history, I would like to propose an adjustment to our payment terms to improve our cash flow:

Current terms: 30% deposit + 70% before shipment
Proposed terms: 30% deposit + 70% within [15/30] days after receiving B/L

Why this benefits both of us:
1. We can place larger and more frequent orders (better cash flow for us = more volume for you)
2. Your production risk remains low (30% deposit secured)
3. Our proven payment record demonstrates trustworthiness
4. Long-term partnership strengthened

Alternative proposal:
If full payment delay is not possible, would you consider:

- 30% deposit + 50% before shipment + 20% within 15 days after B/L?

In exchange, we can commit to:

- [CANTIDAD] minimum orders per [PERÍODO]
- [X]% price increase to compensate for extended terms

- Signed long-term supply agreement

Please let me know if this is something you can accommodate. We value our partnership and hope to grow together.

Best regards,

[TU NOMBRE]
```

**IMPORTANTE:** Solo pide esto después de 3-5 órdenes exitosas. NUNCA en el primer pedido.

# ERRORES COMUNES A EVITAR

**□ NO HAGAS:**
1. Mezclar múltiples productos/especificaciones en un solo email confuso
2. Negociar precio, MOQ, pago, plazo y calidad simultáneamente
3. Cambiar specs después de aprobar muestra (costará CARO)
4. Usar lenguaje informal o emojis excesivos
5. Amenazar o ser grosero cuando hay problemas
6. Pagar 100% por adelantado (a menos que sea muestra pequeña)
7. Aceptar precios "demasiado buenos para ser verdad"
8. Comunicar por 5 canales diferentes (dispersas info)

**□ SÍ HAGAS:**
1. Una solicitud = un email = un tema
2. Negocia en ORDEN: specs → precio → cantidad → pago → plazo
3. Confirma TODO por escrito
4. Sé específico con medidas, materiales, colores (Pantone codes)
5. Pide fotos/samples siempre que sea posible
6. Mantén tono profesional pero humano
7. Usa Trade Assurance en Alibaba para primeras órdenes
8. Construye relación a largo plazo (no solo transacciones)
